

Confidential Financial Statement

You must have adequate financial resources to provide for your educational expenses without having to resort to unauthorized employment. It is the responsibility of the University of Oklahoma to secure from you verification of your financial resources. A form I-20 or DS2019 will be issued only if you have provided proof of full financial support for your proposed program of study at the University of Oklahoma.

If you have a passport, send a clear photocopy of the biographic page and expiration date to the Office of Admissions. If dependents will accompany you to OU, provide clear copies of your dependents' passport biographic page and the expiration date, along with marriage and birth certificates, as applicable, to verify your family relationship. If you are currently in the U.S., also provide a copy of the page from your passport showing your current U.S. visa.

In addition to completing this form you must also submit financial documentation to verify your support. You must submit bank statement(s) less than 90 days old showing the total amount of support available. If the bank account is not in your name, include a letter from the account holder verifying that s/he will be supporting you. If the bank statement does not show the money in U.S. dollars, please include a conversion of the balance into U.S. dollars. If you are being supported by a business or organization, provide a letter less than 90 days old stating the U.S. dollar amount of their support.
